

Housing Security Support Subsidy

【What is the Housing Security Support Subsidy】

The Housing Security Support Subsidy is aimed towards aiding individuals who have lost a home or struggling to maintain a place of residence due to financial struggles that are a result of having been laid off due to a staff turnover or suspension of business (hereon referred to as “turnover staff”), as well as those without sufficient work due to personal reasons or decrease in working opportunities (hereon referred to as “uncontrollable business suspensions”).
